

## **E-safety Information for Parents**

At SNA, we understand the importance of working remotely at this time, however we need to ensure our students are using the internet appropriately and safely at all times. For parents/carers, we ask you to be vigilant in the safety of your children while online and pass any concerns to the school during school's hours. If it is not important, please use the [main.office@snacademy.org.uk](mailto:main.office@snacademy.org.uk) email address. If it is important and you are unable to contact the school please use the helplines and links below.

### **Concerns with safety online**

[Childline](#) - For support and guidance

[UK Safer Internet Centre](#) - To report and remove harmful online content

[CEOP](#) - For advice on making a report about online abuse

### **Additional Support for Parents/carers**

<a href="#">Internet matters</a>	For support for parents and carers to keep their children safe online
