

Year 11 Computer Science Revision Checklist 2021

Subject: Computer Science		Paper: Paper 2 – Computational thinking, algorithms and programming	Duration: 1 hour 30
What to revise: (see below)		How to revise it: Use your text book and look at the following pages.	
1	Languages and IDE's	Pages 74-75	
2	Structure diagrams	Page 69	
3	Errors	Page 71	
4	Sorting and searching algorithms	Pages 45-48	
5	Boolean Logic	Page 57-59	
6	Sub programs	Pages 66-67	
7	Computational thinking	Page 42	
8	Programming techniques	Page 43-44	
9	Testing	Page 72	
10	SQL	Page 65	
11	Variables and constants	Page 52
