10	Future Study and Employment	CPG revision guide pages 56-57 30 words sheet unit 11-12 Memrise	

Don't forget, you can practise all listening tasks if you go to www.cgpbooks.co.uk/GCSESFrenchAudio and type in your personal code on the inside of your revision guide. The answers are in the back of the book.

We will provide guided exam skill practice from this book after Xmas in preparation for the real thing.

The grammar section in the back is very useful, especially for your writing exam.

Please listen to News in Slow French <https://tunein.com/radio/News-in-Slow-French-p761034/?topicId=124253051> Higher) and Easy French subtitled video clips on youtube (Foundation) : <https://youtu.be/bb4zvZdrMz4> where you can listen to French podcasts .

These podcasts will cover all topics and extra vocabulary. BBC Bitesize has Talk French (Foundation) and French Connection Higher.

You can also do some reading on Easy French on frenchtoday.com, and there is Mr Pattinson (listen to this if you do nothing else! ☺) for some inspiration! <https://youtu.be/qmrOiDY0UQk>. This is the link to our most recent topic and you can access the others from there.

To practise specific vocab or grammar with music please go to <http://platea.pntic.mec.es/cvera/hotpot/chansons/>

NB This checklist incorporates units inc those we are still covering. Please don't worry! But if you have time to cast your eye over the units in the CPG guide which we haven't yet covered then of course you will find this beneficial in the mocks for Reading and Listening.

For Speaking and Writing in each of the mocks you will be required to tackle only the units we have covered up to and including that point.

You can also use languages online. com for grammar and vocab topic practice. And you have your Knowledge Organisers

Yr 11 Relaxed listening activities over October half term :

Unit 1 la famille
