You can practise all listening tasks if you go to [www.cgpbooks.co.uk/GCSESpanishAudio](http://www.cgpbooks.co.uk/GCSESpanishAudio).

Continue to use Memrise as much as possible, especially the general AQA GCSE course. You should also use the folding sheets to help you to learn set phrases off by heart.

The grammar section in the back is very useful, especially for your writing exam.

Please continue to watch Spanish TV (La Casa de Papel, Las Chicas del Cable) and listen to Spanish podcasts on <https://podcast.duolingo.com/>, these podcasts will cover all topics and extra vocabulary.

Use [www.eldiario.es](http://www.eldiario.es) to find short Spanish news articles for some extra reading- remember, literally anything can come up in the listening and reading exams!
