Curriculum Breadth

	Core Subjects							EBAC and Facilitating Subjects						Foundation Subjects					
	English & Literature	Maths	Science			PE	Computing	PRE	French	German	Spanish	History	Geography	Computer Science	Art	Drama	DT	Food	Music
			Biology	Chemistry	Physics														
Year 7	HT1	‘Invictus’ by William Henley	Integers and decimals, Place value, Order of Operations	Structure and function of body systems	Separation techniques		Introduction to Office 365	Does God Exist?				What are conspiracies? The Battle of Hastings	What is a geographer?	See Computing column		‘Millions’ by Frank Cottrell Boyce	Rotation 1: Technology; Sweet dispenser		Making a Reggae arrangement
	HT2	Modern Novel: A Monster Calls by Patrick Ness	Roots, Primes, HCF and LCM Rounding	Revision + In class Assessment	Revision + In class Assessment	Forces Revision + In class Assessment	Rotation of Activities: Badminton, Rugby, Dance, Health Related Exercise, Outdoor Adventurous Activities and Handball	Web Awareness	How does Religion Impact society?	300 minutes + Me and My life		Norman Conquest	How do we use our natural planet as a resource?		Cubism	Greek Theatre	Rotation 2: Textiles; Tim Burton Keyring Rotation 3: Food Rotation 4: Photoshop; Graphic Design		West African Music
	HT3	Character and colonialism in Shakespeare’s The Tempest	Expressions Linear Equations	Cells	Particles		Rotation of Activities: Table Tennis, Fitness Suite, Health Related Exercise, Handball, Outdoor Adventurous Activities and Rugby	Under the Hood	How similar are people’s Life Journeys?			Medieval Monarchs	What is an economy		Fauvism	Victorian Melodrama	Sweet dispenser project		Classical music
	HT4	Shakespeare’s The Tempest continued	Formulae Coordinates and Gradients	Revision + Year 7 assessment	Revision + Year 7 assessment	Space Revision + Year 7 assessment		Scratch Coding	How similar are people’s Life Journeys?	My hobbies and sports		Medieval Society	What is weather and climate?			‘The Tempest’ Page to Stage			Music technology (sampling)
	HT5	The Lost Words: Poetry about nature	Linear Graphs Linear Patterns	Inheritance	Elements, atoms and compounds		Rotation of Activities: Athletics, Cricket, Rounders and Leadership	Digital Graphics	Why do Jews Celebrate Passover?			Power of the Church	What is weather and climate?		Expressionism	Arabian Nights	Resistant Materials Rotation - Sweet dispenser project		Film music
	HT6	Choices and Voices: Further explorations of poetry	Percentages Ratio	Inheritance	Acids and alkalis			Microbit programming	How can people with different beliefs work together?			The Tudors and Stuarts	How is Asia being transformed?			‘The Twits’ and Berkoff			Rock music
Year	HT1	‘Still I rise’ by Maya Angelou	Factors and Powers Working with powers			Energy	Rotation of Activities: Badminton, Rugby, Gymnastics,	App Lab	Should the Death Penalty be reintroduced?		My Family and Friends	Changing ideas and beliefs	What happens when the land meets the sea?	The Arts and crafts movement – Homes and Habitats	Life During WWI	Rotation 1: Technology; Design Style inspired clock		Popular music	

Year 9	HT2	Modern Novel: Map of Leaves by Yarrow Townsend	3D Shapes and 2D shapes	Healthy Lifestyle	Chemical reactions		Health Related Exercise, Outdoor Adventurous Activities and Handball	Networks	How do Muslims practice their faith?				British Empire	What is development?		Sweeney Todd	Rotation 2: Textiles: Japanese inspired pencil cases		Music from video games	
	HT3	Power and hierarchy in Shakespeare's A Midsummer Night's Dream	Real life graphs Transformations			Motion and pressure		Networking	Why does Suffering happen?				Revolutions	How do volcanoes and earthquakes work		Comedy: A Midsummer Night's Dream	Rotation 3: Food Rotation 4: New and Emerging Technologies ; 3D CAD design		The Blues	
	HT4	Shakespeare's A Midsummer Night's Dream continued	Fractions, Percentages and Decimals Construction and Loci	Reproduction				Python	Are Jesus's teaching worthless in the modern world?			My City	Herstory	How do volcanoes and earthquakes work?		Surrealism – Beasts and creatures	Refugee Boy	Textiles Project - Rotation	Music technology (classical remix)	
	HT5	Poetry and Politics: How writer's shape our views	Probability Scale Drawings and Measures			Forces Space		Data Representation	How can Terrorism be stopped?					Power to the People	Why are rivers important?		Refugee Boy Cont.			
	HT6	Poetry and Politics continued	Scale drawing and measures Graphs	Revision + Yr 8 assessment	Revision + Yr 8 assessment Atoms, elements and compounds	Revision + Yr 8 assessment Space	Rotation of Activities: Athletics, Cricket, Rounders and Leadership	Markcode Arcade				Grammar Focus – Preterite tense	World War One	How are populations changing?		Abstract Art – Portraiture	Meet the Practitioners		Songs throughout time	
	HT1	'Out of the Blue' by Simon Armitage	Powers and Roots Quadratics Inequalities, Equations and Formulas	Digestion	Types of reaction		Rotation of Activities: Badminton, Rugby, Table Tennis, Health Related Exercise, Outdoor Adventurous Activities and Handball	Using AI	Religious Study: Christian Key Beliefs	Holidays				Causes of conflict C20	What are the opportunities and challenges facing Africa?		Impressionism-Painting	Blood Brothers	Rotation 1: Technology; USB powered CAD/CAM lamp	Popular song writing
	HT2	Modern Novel: I Must Betray you by Ruta Septys	Inequalities, Equations and Formulas Collecting and Analysing Data		Elements	Magnetism Electromagnetism		Python Programming	Religious Study: Christian Doctrine of Salvation	Celebrations and festivals		Customs and Festivals	1920s America	Why is the Middle East an important region in the world?		Renaissance - Drawing	Blood Brothers	Rotation 2: Food Rotation 3: New and Emerging Technologies ; 3D CAD design	Music from TV/Streaming	
	HT3	Love and tragedy in Shakespeare's Romeo and Juliet	Multiplicative Reasoning Non-linear graphs	Photosynthesis Revision + Year 9 assessment	Revision + Year 9 assessment	Revision + Year 9 assessment	Rotation of Activities: Table Tennis, Fitness Suite, Health Related Exercise, Handball, Outdoor Adventurous Activities and Rugby	Python Programming	Thematic Study: Relationships and Families	Free time, TV, film and music		Free Time Activities	Holocaust	What is happening in the atmosphere?		Futurism – Printing	Meet John Godber		Composing music to a brief	
	HT4	Shakespeare's Romeo and Juliet continued	Accuracy and Measures Graphical Solutions Trigonometry	Respiration Inheritance Evolution				Boolean		Healthy living			How was Germany Defeated WW2	How are cities changing?		Surrealism – Photography	Hamilton	USB Lamp project including CAD/CAM	Music technology (dance music)	
	HT5	Shakespeare's Romeo and Juliet continued	Trigonometry Mathematical Reasoning Number	Cell structure and transport			Rotation of Activities: Athletics, Cricket, Rounders and Leadership	Cybersecurity	Thematic Study: Relationships and Families	My future		Technology in Every Day Life	Changes in post War Britain	How does ice change the world?		Conceptual Art	Verbatim Theatre		Performance skills	
	HT6	Linking poetry to contexts	Number Algebra		Atomic structure	Conservation of energy and dissipation		Physical Computing	Thematic Study: Religion Peace and Conflict				Peace and Conflict C20	How does ice change the word?		Street Art	Everybody's Talking About Theatre		Performance skills	

	Core Subjects								EBACC and Facilitating Subjects						
	English & Literature	Maths	Science			PE	Computing	PRE	French	German	Spanish	History	Geography	Computer Science	
			Biology	Chemistry	Physics										
Year 10	HT1	Pre-1900 Fiction: A Christmas Carol by Charles Dickens	Interpreting and Representing Data Fractions, Ratios and Percentages	Organisation	Atomic structure and the periodic table Bonding, structure and the properties of matter*	Energy	Rotation of Activities: Handball, Rugby, Netball, Basketball, Tabletennis	Religious Study: Islamic Key Beliefs	My friends and technology in everyday life	Free Time Activities	Home town Neighbourhood and Region	William in Power	Natural Hazards	System Architecture Memory Storage Programming Fundamentals	
	HT2	AQA Poetry anthology & developing writing skills	Angles and Trigonometry Graphs Area and Volume	Revision + in class assessment Infection and Response *	Bonding structure and the properties of matter Quantitative chemistry* Revision + in class assessment	Electricity Revision + in class assessment		Religious Study: Islamic Key Beliefs	Me, My Family, and Relationships	Customs and Festivals	Me, my Family and Friends	Norman England	The Living World	1.6 Ethical, legal, cultural and environmental impacts of digital technology 2.2 Programming Fundamentals	
	HT3	Shakespeare's Romeo and Juliet	Transformations and Constructions Equations and Inequalities	Infection and response	Quantitative Chemistry Chemical changes*	Particle model of matter Atomic structure*	Rotation of Activities: Fitness and Adventure Health Related Exercise, Fitness	Religious Study: Islamic Authority	Customs and Festivals	Home, town neighbourhood and region	Social Issues	Norman England	The Changing Economic World – India	1.6 Ethical, legal, cultural and environmental impacts of digital technology 1.2.3 Units 2.1 Algorithms	
	HT4	Speaking and Listening assessment: Presenting a viewpoint Viewpoints and perspectives in writing	Equations and Inequalities Probability	Bioenergetics Revision	Chemical changes Energy changes* Revision	Particle model of matter Forces* Revision		Thematic Study: Religion Peace and Conflict	Mock Preparation & speaking focus Home, town neighbourhood and region	Mock Preparation & speaking focus Holidays & travel	Global Issues	The Weimar Republic	The Changing Economic World - UK	1.2.4 Data Storage 1.2.4 Numbers, Characters, Images, Sound 2.4 Boolean logic	
	HT5	Mock Assessments and review: Language Paper 2 and Literature Paper 1	Multiplicative Reasoning Similarity and Congruence	MOCKS Homeostasis and response *	MOCKS Chemical changes The rate and extent of chemical change*	MOCKS Forces*	Rotation of Activities: Athletics, Cricket, Rounders, Badminton	GCSE Revision and Preparation	My studies	My studies		The rise of the Nazis	Physical Landscapes – Coasts / Fieldwork/MOCKS	1.2.5 Compression 2.3.1 Defensive Design	
HT6	An Inspector Calls By J B Priestley & Poetry Anthology	More Trigonometry Further Statistics Equations and Graphs	Ecology Homeostasis and response *	Energy changes Organic chemistry*	Atomic structure Forces*	Ethical Questions		Life at School and College	Life at School and College	Travel and Tourism	Nazi Dictatorship	Physical Landscapes – Coasts / Fieldwork/MOCKS	1.3.1 Networks 1.3.2 Wired and wireless networks, protocols and layers 2.3.1 Defensive Design 2.3.2 Testing		
Year 11	HT1	Modern Drama: An Inspector Calls Poetry Anthology	Circle Theorems More Algebra	Inheritance, variation and evolution* Ecology	Organic Chemistry Chemistry and the atmosphere Chemical analysis* Using resources*	Waves	Opt into an activity to include: Handball, Rugby, Badminton Tabletennis, Dance or gym		My studies Life at School and College	My studies Life at School and College	Where I live	Life in the Nazi Germany	Physical Landscapes – Rivers	System Architecture Memory and Storage Programming Techniques	
	HT2	Mock Assessments and review: Language Paper 1 and Literature Paper 2	Vectors and Geometric Proof	Revision + Year 11 assessment Inheritance, variation and evolution Ecology*	Revision + Year 11 assessment Using resources*	Revision + Year 11 assessment Waves Magnetism and electromagnets*			Jobs, Career Choices and Ambitions	Education post-16	Describing my region	Origins of the Cold War	Urban Issues and challenges - Lagos	Programming Techniques Algorithms	
	HT3	Explorations in creative reading and writing Unseen Poetry	Proportion and Graphs	Inheritance, variation and evolution Ecology*	Chemical analysis Using resources	Magnetism and electromagnets* Space*	Opt into an activity to include: Fitness, circuit training, X-country, orienteering, Problem Solving				Celebrations, special occasions and festivals	Jobs, careers & ambitions	Travel and tourism	Cold War Crises	Urban Issues and challenges – UK / Urban fieldwork Operating Systems Data Rep Programming Techniques
	HT4	GCSE Revision and Preparation	GCSE Revision and Preparation	Inheritance, variation and evolution Revision + in class assessment	Revision + in class assessment	Magnetism and electromagnetism Revision + in class assessment					Global issues, neighbourhood & region	Global issues Social issues	Social issues and Global issues	End of the Cold War	The Challenge of Resource Management Paper 1 and 2 Misconceptions
	HT5	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation					GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	Geographical Application: Issue Evaluation GCSE Revision and Preparation GCSE Revision and Preparation

Guided Choices Pathways

		GCSE Art and Design	GCSE Photography	GCSE Business Studies	GCSE Design Technology	GCSE Drama	GCSE Food and Nutrition	GCSE Media Studies	GCSE Physical Education	NCFE Health and Fitness	BTEC Level 2 Sport	GCSE Music	NCFE Child Development
Year 10	HT1	Above & below project – personal investigation Exploring the work of Artists	Introduction to DSLR Camera Basics & Photo Editing	GCSE Topic 1 – Business in the Real World	Block Head challenge (wood FPT) Unit 3: Wood theory Unit 2: Energy, materials, systems and devices	'DNA' by Dennis Kelly	Food Safety	Newspapers and Film	Components of Fitness Fitness Tests Principles of Training Methods of Training Goal Setting	Health and Fitness Components of fitness Fitness Testing Validity and Reliability	Component 1 – Preparing Participants to Take Part in Sport and Physical Activity	Musical elements: performing, composing and listening	Child Development
	HT2		Individual Coursework Project 1- Initial Research	GCSE Topic 3 : Business Operations			The Eatwell Guide and Macronutrients		Sports Participation Strategies/Trends Agencies and Initiatives Commercialisation	Training methods Optimising a training programme Principles of training Principles of overload			Factors that influence the child's development
	HT3	Above & below project – personal investigation Developing and refining ideas	Abstract Landscapes Coursework Project 2- Materials Experimentation	GCSE Topic 4 : Human Resources	Wood specialist Joints (FPT) Unit 3: Materials Unit 5D: Polymers	Micronutrients and Special Diets	Radio and Video Games	Minimising Risk Risks and Hazards Warmups and cool downs 6 mark questions	Skeletal system	Care routines, play and activities to support the child			
	HT4		Abstract Landscapes Coursework Project 2- Materials Experimentation			Live Theatre Experience		Diet Related Diseases and Mini NEA1	Skeleton and Joints Muscles Levers	Muscular system Respiratory system Cardiovascular system	Early year provision		
	HT5	Above & below project – personal investigation Recording and presenting final ideas	Individual Coursework Project 1- Developing and refining ideas	GCSE Topic 2 : Influences on Business GCSE Topic 5 : Marketing	FPT – On shape and CAM Unit 4: Common specialist technical principles Begin NEA Project	Devising Drama	Food Science in Action	Crime Drama	Planes and Axes Cardiovascular system	Energy systems Short term effects of exercise	Component 2 – Taking Part and Improving Other Participants Sporting Performance	Component 1: Performance preparation Component 2: Free composition Component 3: Areas of Study	Legislation, policies and procedures
	HT6		Individual Coursework Project 1- Developing and refining ideas				Food Provenance and Food Marketing	Component 3: NEA	Respiratory System Energy System Effects of Exercise	Long-term effects of exercise Activity levels Diet Rest and recovery			Expectations of the early year's practitioner
Year 11	HT1	NEA Project	Individual Coursework Project 1- Developing and refining ideas	GCSE Topic 5 : Marketing	NEA Coursework Unit 6 – Designing principles Unit 7: Making principles	Devising Drama	NEA1 plus exam content	Component 2: Crime Drama	Mental Preparation Guidance and Feedback Characteristics of a Skilled Performer Skill Classification	Health and fitness analysis tools Data Training programmes Health and safety	Component 3 – Developing Fitness to Improve Other Participants Performance in Sport and Physical Activity	Component 1: solo and ensemble performance	Roles and responsibilities within early years settings
	HT2		Individual Coursework Project 1- Personal & Meaningful Final Piece	GCSE Topic 6 : Finance		DNA Revision/ Performance from Text			Sportsmanship/Gamesmanship Deviance/Violence Drugs in Sport	Warm up and cool down Main activity Timescales and goal setting		Component 2: composing music to a brief	The importance of observations in year years childcare
	HT3	Externally Set Task and Exam Preparation	Externally Set Task and Exam Preparation	Revision of Units 1-3	Performance from Text	NEA2 plus exam content	Component 2: Music video	Health and Well-being Diet 6 mark questions	NEA practice	Improving component 1 and 2 for submission		Planning in early ears childcare	
	HT4		Externally Set Task and Exam Preparation	Revision of Units 4-5	Exam Technique and Theory			Performance from Text	Component 1 and 2			Exam Technique Exam Question Practice	NEA prep, research and task
	HT5	Externally Set Task Final Piece	Externally Set Task Final Piece	Exam Technique and Theory	Exam Technique and Theory	Exam Technique and Theory	Revision	Exam Preparation and Revision	Practical Moderation Final Exam Preparation	NEA prep, research and task Exam revision		Component 3: Exam preparation	Revision and Final Exam Prep

Progression to SNA Sixth Form, Further Education, Recruitment or Training

English Language	English Literature	Maths	Biology	Chemistry	Physics	History	Geography	Psychology	Sociology	French	Spanish	Design Technology	Fine Art	Drama	Computer Science	Business Studies	Media Studies	A Level PE
------------------	--------------------	-------	---------	-----------	---------	---------	-----------	------------	-----------	--------	---------	-------------------	----------	-------	------------------	------------------	---------------	------------

Year 12

Half Term 1	Meanings and Representations Language and Gender	Othello The Great Gatsby	Algebra Polynomials and the binomial theorem	Cell structure Biological molecules Exchange and transport	Atoms and moles Formulas and equations Electrons, bonding and structure Basic concepts and hydrocarbons	Progressive and stationary waves Particles	Early Tudors French Revolution and Napoleon	Hazards Changing Places	Introduction to Psychological Approaches	Introduction to Sociological Perspectives	The changing nature of families	Modern and traditional values			Community project (local community) / skills workshop	Introduction to Set Text A Equus Theatre History and an Exploration of Greek Theatre: Lysistrata	Structure and function of the processor Types of processor Input, output and storage Thinking abstractly Thinking Ahead	Topic 1 – What is Business? Topic 2 Managers, Leaders and Decision Making	Component 1 Advertising and Marketing Music Videos	
Half Term 2	Meanings and Representations Language and Occupation	Othello AQA Pre 1900 Poetry Anthology	Trigonometry Differentiation and Integration	Nucleotides and nucleic acids Enzymes Biological membranes Transport in animals Transport in plants	Reaction and calculations Alcohols and haloalkanes	Refraction, defraction and interference Electricity Electromagnetic radiation Energy and momentum	Early Tutors French Revolution and Napoleon	Hazards Changing Places	Psychopathology	The Sociology of Education	Cybersociety	Cyberspace				Exploration of Set Text A Equus Lysistrata meets the Practitioners	Systems Software Applications Generation Software Development Thinking procedurally Thinking logically	Topic 3 Marketing Management Topic 5 Financial Management	Component 1 Newspapers and Film Promotion	Paper 1 Physiological factors affecting performance Paper 2 Psychological factors affecting performance
Half Term 3	Child Language Development Language and Social Groups	Journey's End The First Casualty	Exponentials and Logarithms Vectors	Biological membranes Cell division and cellular organisation Biodiversity Disease and the immune system	The periodic table Analysis and organic synthesis	Energy and momentum Electricity	Early Tudors French Revolution and Napoleon	Hazards Contemporary Urban Environment	Psychological Research Methods	Sociological Methods & Methods in Context	The role of the voluntary sector	The equality of the sexes				Practitioner Workshops Devising	Compression, Encryption and Hashing Networks Web Technologies Thinking concurrently Data Types	Topic 4 Operational Management Topic 6 HR Management	Component 1 Video Games and Radio Component 3 Skills	Paper 3 Socio-cultural issues in physical activity and sport
Half Term 4	Child Language Development Accent and Dialect	Journey's End W.O Poetry	Units and kinematics Forces and Newtons Law	Classification and evolution Disease and the immune system Communication and homeostasis	Physical chemistry Aromatic compounds and carbonyls	Periodic motion Energy and momentum Materials	Early Tudors French Revolution and Napoleon NEA	Coastal Systems and Landscapes Contemporary Urban Environment	Social Psychology & Memory	Family & Households	Culture and heritage	The influence of idols				Devising Continued	Computing related legislation Programming techniques		Component 3 Coursework Revision of Component 1	
Half Term 5	Language Change Language and Ethnicity	NEA Introduction & Reading The Great Gatsby	Collecting, Representing and Interrogating data Probability	Patterns of inheritance Neuronal communication and homeostasis	Equilibrium	Materials Thermal dynamics Periodic motion	Early Tudors French Revolution and Napoleon NEA	Coastal Systems and Landscapes Contemporary Urban Environment	Memory & Attachment	Family & Households	Francophone Music	Regional identity in Spain			Component 1 Personal Investigation Portfolio	Devising Portfolio	Moral and ethical Issues	Mock exam revision and preparation	Component 1 Revision	
Half Term 6	Coursework Unit	Othello AQA Pre1900 Poetry Anthology	Hypothesis Testing	Revision and MOCKS		Revision and MOCKS	Civil Rights USA NEA Tudors	Geographical Investigation	Biological Psychology Further Approaches in Psychology	The Sociology of Beliefs	The art of cinema	Cultural patrimony					Devising Portfolio	Databases	Mock exam revision and preparation	Component 3 Coursework
Half Term 1	Meanings and Representations Language and Gender	NEA Preparation Wilfred Owen Poetry	Algebra 2 Trigonometric Identities Sequences	Ecosystems Populations and sustainability Communication and homeostasis Excretion	Acids, bases and pH Nitrogen compounds and polymers Organic synthesis and practical techniques	Thermodynamics Fields and gravitational fields Electric fields	Civil Rights USA NEA Tudors	Geographical Investigation Global Systems and Governance	Gender	The Sociology of Beliefs	Diversity in society and Social exclusion	Immigration/racism					Text A Consolidation Component 2 Monos/ Duos	Databases Computational methods	Topic 7 Strategic Position of a Business Topic 8: Choosing Strategic Direction	Component 2 Sections A & B Magazines and Television
Half Term 2	Child Language Development Language and Occupation	Journey's End The First Casualty	Differentiation	Plant responses and hormones Photosynthesis Evolution Manipulating genes	Reaction rates Analysis	Capacitance Magnetic fields Nuclear physics	Civil Rights USA NEA	Coastal Systems and Landscapes Global Systems and Governance	Issues & Debates	Crime & Deviance	Criminality	Coexistence				Text A Consolidation Component 2 Monos/ Duos	Types of Programming Language Boolean Algebra	Topic 9: Strategic Methods: How to Pursue Topic 10: Managing Strategic Change	Component 2 Section A and C	Paper 3 Socio-cultural issues in physical activity and sport
Half Term 3	Language Change Language and Social Groups	Journey's End The First Casualty/W.O. Poetry	Integration and Differential Equations Numerical Methods	Photosynthesis Manipulating genes Revision + MOCKS	Transition elements Enthalpy, entropy and free energy	Nuclear physics Option module	Civil Rights USA NEA	Water and Carbon Cycles Global Systems and Governance	Schizophrenia	Crime & Deviance Sociological Theory	Politics and Political systems	Youth of today, citizens of tomorrow			Component 2 Externally Set Assignment	Text in Performance Paper 1&2 Misconceptions	Algorithms Paper 1&2 Misconceptions		Component 2 Section C Revision of Component 1	

Year 13

Half Term 4	Language Change Accent and Dialects	Othello/NEA final Gatsby/AQA Anthology	Motion in two dimension Forces	Respiration Cloning and biotechnology	Redox and Electrode Potentials		Civil Rights USA NEA	Water and Carbon Cycles Urban review / NEA support as needed	Forensic Psychology	Theory & Methods	Immigratio n	Monarchies and dictatorship & popular movements			Text in Performance	Paper 1&2 Misconceptions	Exam Preparation and Revision	Component 2 Revision	
Half Term 5	Exam Preparation and Revision	Exam Preparation and Revision	Probability Hypothesis Testing				Exam Preparation and Revision	Exam Preparation and Revision	Revision & Examination Period	Revision & Examination Period	Exam focus (speaking exams, revision and skills)	Exam focus (speaking exams, revision and skills)				Paper 1&2 Misconceptions	Exam Preparation and Revision	Exam Preparation and Revision
