

Year 10 Maths GCSE Revision Resources

<p>Subject Mathematics</p>	<p>Papers 2 papers Paper 1 – Non calculator Paper 2 – Calculator</p>	<p>Duration 1hr 30 mins each</p>
<p>Calculator – Make sure you have a working scientific calculator. The Casio class wiz ones are the best and you can get them from reception at school or most shops. It is vital you have a scientific calculator and know how to use if for your exams.</p>		
<p>Websites to use</p>		<p>What is on there</p>
<p>1</p>	<p>https://www.sparxmaths.uk/</p>	<p>Use the independent learning section to work on the areas you struggled with on your mock. Ask you teacher for specific areas</p>
<p>2</p>	<p>https://corbettmaths.com/2023/02/15/gcse-maths-summer-2023/</p>	<p>Checklists, videos on specific topics, practice exam style questions on all topics and practice GCSE papers. Make sure you go on the AQA section if using the practice papers. There will also be predicted papers after Paper 1 so check back then too.</p>
<p>3</p>	<p>https://www.onmaths.com/</p>	<p>Unlimited predicted papers. Make sure you select the right tier (higher/ foundation) and AQA and then work through the questions. Have a pen and paper to hand for working out too.</p>
<p>4</p>	<p>https://www.mathsgenie.co.uk/AQApapers.html</p>	<p>All the past papers are here with mark schemes. When completing past papers:</p> <ol style="list-style-type: none"> 1. Give your self 1 hour and 30 mins to complete it. 2. Anything you don't complete in that time do in a different colour 3. Mark your answers, make a list of any topics you struggled with 4. Plan to do focused revision on these topics before you complete another paper. 5. Aim to do at least one past paper a week
