

South Nottinghamshire Academy Curriculum Overview 2026-7

Curriculum Intent By ‘pushing our boundaries to achieve more’ and underpinned by our values - the SNA Way - our curriculum vision is to provide academic excellence for all students and to develop them into confident, responsible, independent young people. Our curriculum is: • broad and balanced supported by extensive and enriching wider school experiences • inclusive to all regardless of starting point with high levels of challenge and expectation • progressive, interleaved and sequenced to develop literacy, numeracy and oracy in students • inspiring to students supporting them to reach their full potential • focussed on developing the whole child, their wellbeing and equipping them for their next stage in education, employment or training and for life in modern Britain.	Curriculum Equality and Diversity At South Nottinghamshire Academy equality and diversity is promoted through an inclusive curriculum offer. We provide all of our students with the opportunity to succeed and to reach the highest level of personal achievement. We shall achieve this by: • The promotion of equality of opportunity • Challenging discrimination in all areas of the curriculum • Ensuring that curriculum planning will take account of the needs of all • Monitoring and evaluating curriculum provision at academy and Trust wide level so that it represents a diverse culture and society and encourages tolerance and respect. • Ensuring that the teaching methods used in the delivery of the curriculum will be diverse and appropriate for all needs and learning styles • Providing resources that reflect and promote equal access for all • Promoting cultural understanding and awareness through the content and delivery of the curriculum • Actively closing gaps in attainment and achievement between students for all groups of students; especially students eligible for Pupil Premium, students with special educational needs and disabilities, looked after children and students from minority ethnic groups.

Curriculum Breadth

		Core Subjects							EBAC and Facilitating Subjects				Foundation Subjects				
		English & Literature	Maths	Science			PE	Computing	PRE	French	Spanish	History	Geography	Art	Drama	DT	Music
Year 7	HT1	Modern Novel: A Monster Calls by Patrick Ness	Working with decimals, Rounding, Prime factors, HCF, LCM	Cells	Particles	Forces	Rotation of Activities: Badminton, Rugby, Dance, Health Related Exercise, Leadership, Outdoor Adventurous Activities, Badminton and Handball	Introduction to Office 365	Does God Exist?		Greetings & descriptions	Where the Romans Rotten? The Battle of Hastings	What is a geographer?	Cubism	'Millions' by Frank Cottrell Boyce	Rotation 1: Technology; Sweet dispenser	Making a Reggae arrangement
	HT2	Modern novel continued	Polygons, Angles, Simplifying algebraic expressions	Revision + In class Assessment Structure and function of body systems	Revision + In class Assessment	Forces Revision + In class Assessment		Web Awareness	Hinduism and Buddhism		Family,Birthday s, pets,	Norman Conquest	How do we use our natural planet as a resource?		Greek Theatre		West African Music
	HT3	Character and colonialism in Shakespeare's The Tempest	Working with fractions, Solving Equations	Structure and function of body systems	Elements, atoms and compounds	Light	Rotation of Activities: Table Tennis, Health Related Exercise, Handball, Leadership, Outdoor Adventurous Activities, Badminton and Rugby	Under the Hood	How similar are people's Life Journeys? How similar are people's Life Journeys?	My hobbies and sports	Medieval Monarchs	What is an economy	Fauvism	Victorian Melodrama	Rotation 2: Textiles; Tim Burton Keyring	Classical music	
	HT4	Shakespeare's The Tempest continued	Percentages, Ratio	Reproductio n Revision + Year 7 assessment	Elements, atoms and compounds Revision + Year 7 assessment	Revision + Year 7 assessment	Scratch Coding	Medieval Society			What is an economy	'The Tempest' Page to Stage		Rotation3: Food - Safety/Food science/Healthy Living and Nutrition	Music technology (sampling)		
	HT5	Choices and voices: How do poets write about the natural world?	Perimeter and Area, Averages and Range	Reproductio n	Chemical reactions		Rotation of Activities: Athletics, Cricket, Rounders and Volleyball	Digital Graphics	Why do Jews Celebrate Passover?	My school	Tudor Dynasty	What is weather and climate?	Expressionism	Arabian Nights	Rotation 4: Photoshop; Graphic Design	Film music (keyboard skills)	
	HT6	Choices and Voices: Poetry recital preparation	3D shapes, Volume, Sequences, Transformations		Chemical reactions Periodic table	Sound		Microbit programming	How can people with different beliefs work together?		Civil War	What is weather and climate?		'The Twits' and Berkoff			
Year 8	HT1	Modern Novel: Map of Leaves by Yarrow Townsend	Rounding and Estimation, Indices and Standard Form			Energy	Rotation of Activities: Badminton, Rugby, Dance, Health Related Exercise, Leadership, Outdoor Adventurous Activities, Badminton and Handball	App Lab	Are Jesus's teaching worthless in the modern world?	Life at School	My Family and Friends	The Witch craze	What happens when the land meets the sea?	The Arts and crafts movement – Homes and Habitats	Life During WWI	Rotation 1: Technology; Design Style inspired clock	Popular music
	HT2	Modern novel continued	Angles in parallel lines, Algebraic expanding and factorising	Healthy Lifestyles Revision	Acids and alkalis Revision	Energy Revision		Networks	How do Muslims practice their faith? Should the Death Penalty be reintroduced?	Media and spare time		British Empire	What is development?		Meet the Practitioners	Rotation 2: Textiles: Japanese inspired pencil cases	Music from video games
	HT3	Power and hierarchy in Shakespeare's A Midsummer Night's Dream	Working with fractions and mixed numbers, Solving Equations and inequalities	Year 8 in class assessment	Year 8 in class assessment Acids and alkalis	Year 8 in class assessment Motion and pressure	Rotation of Activities: Table Tennis, Health Related Exercise, Handball, Leadership, Outdoor	Networking		Music, internet and reading habits	My hobbies and spare time	Industrial Revolution	How do volcanoes and earthquakes work		Comedy: A Midsummer Night's Dream	Rotation 3: Food: Nutrients/Food Science/World foods	Rotation 4: New and Emerging Technologies; 3D CAD design

Year 9	HT4	Shakespeare's A Midsummer Night's Dream continued	Percentage change, Ration problems, Pythagoras' Theorem		Earth	Motion and pressure	Adventurous Activities, Badminton and Rugby	Python	Should the Death Penalty be reintroduced?	Talking about visiting Paris and at the café		Representation of the People	How do volcanoes and earthquakes work?	Surrealism – Beasts and creatures	Refugee Boy		Music technology (classical remix)
	HT5	Positioning the reader: How do writers shape our views?	Statistical diagrams and Averages, Volume and Surface area	Inheritance Revision + Yr 8 assessment	Earth Revision + Yr 8 assessment	Sound Revision + Yr 8 assessment	Rotation of Activities: Athletics, Cricket, Rounders and Volleyball	Data Representation	Why does Suffering happen?	Style and shopping	My School	World War One	Why are rivers important?	Abstract Art – Portraiture	Gothic Horror		Songs throughout time
	HT6	Poetry Recital preparation: writing and performing our own inauguration poems	Sequences, Straight line graphs, Probability and Venn diagrams	Inheritance	Periodic Table	Light		Markcode Arcade	How can Terrorism be stopped?	Recap and Revision		Making Modern America	How are populations changing?		Sweeney Todd		
	HT1	Modern Novel: I Must Betry you by Ruta Septys	Limits of accuracy, Indices and Surds	Ecosystems and apaptations		Electricity and magnetism	Rotation of Activities: Badminton, Rugby, Dance, Health Related Exercise, Leadership, Outdoor Adventurous Activities, Badminton and Handball	Using AI	Religious Study: Christian Key Beliefs	Holidays	Customs and Festivals	1920s America	What are the opportunities and challenges facing Africa?	Impressionism- Painting	Blood Brothers	Rotation 1: Technology; USB powered CAD/CAM lamp & Systems and Robotics Rotation 2: Food	Popular song writing
	HT2	Modern novel continued	Geometrical reasoning, Congruence, Expanding and factorising quadratics	Biological processes		Electricity and magnetism		Python Programming	Religious Study: Christian Doctrine of Salvation			Causes of conflict C20	Why is the Middle East an important region in the world?	Renaissance - Drawing	Blood Brothers		Music from TV/Streaming
	HT3	Love and tragedy in Shakespeare's Romeo and Juliet	Fractions, mixed numbers and recurring decimals	Cell structure and transport Revision + Year 9 assessment	Revision + Year 9 assessment	Revision + Year 9 assessment	Rotation of Activities: Table Tennis, Health Related Exercise, Handball, Leadership, Outdoor Adventurous Activities, Badminton and Rugby	Python Programming	Thematic Study: Relationships and Families	My future, ambitions, careers and goals	Free Time Activities	Holocaust	What is happening in the atmosphere?	Conceptual art	Meet John Godber		Ensemble skills
	HT4	Shakespeare's Romeo and Juliet continued	Simultaneous equations, percentage increase and decrease, reverse percentages		Atomic structure	Energy conservation and dissipation		Boolean				How was Germany Defeated WW2	How are cities changing?	Street Art	Verbatim Theatre		
	HT5	An introduction to poetry through the ages	Trigonometry, Pythagoras, Statistical diagrams	Cell division	The periodic table	Energy conservation and dissipation Energy transfer and resources	Rotation of Activities: Athletics, Cricket, Rounders and Volleyball	Cybersecurity	Thematic Study: Relationships and Families	Healthy Living , food and lifestyle	Technology in Every Day Life	Changes in post War Britain	How are cities changing?	Futurism – Printing	Hamilton		Music technology (EDM)
	HT6	How does context affect our understanding of poetry?	Quadratic sequences, straight line graphs, Bearings, Compound measures	Organisation and the digestive system Revision + Year 9 in class assessment	Revision + Year 9 in class assessment	Revision + Year 9 in class assessment		Physical Computing	Thematic Study: Religion Peace and Conflict			Peace and Conflict C20	How does ice change the word?	Surrealism – Photography	Everybody's Talking About Jamie		Musical specialism: Performance/Composing skills

Year 10		Core Subjects								EBACC and Facilitating Subjects					
		English & Literature	Maths	Science			PE	Computing	PRE	French	German	Spanish	History	Geography	Computer Science
				Biology	Chemistry	Physics									
HT1		Pre-1900 Fiction: Jekyll and Hyde	Limits of accuracy, Upper and lower bounds, Indices and Surds, Standard form	Organisation*	Bonding, structure and the properties of matter*	Electricity*	Opt into an activity to include: Handball, Rugby, Badminton, Basketball, Health Related Exercise and Table Tennis		Religious Study: Islamic Key Beliefs	My friends and technology in everyday life	Free Time Activities	Home town Neighbourhood and Region	Medieval and Renaissance Medicine	Natural Hazards	System Architecture Memory Storage Programming Fundamentals
	HT2	Pre-1900 Fiction: Jekyll and Hyde	Similarity and Congruence, Angles and Circle Theorems, Quadratics, Algebraic fractions.	Revision + in class assessment Infection and Response *	Quantitative chemistry* Revision + in class assessment	Particle model of matter* Revision + in class assessment			Religious Study: Islamic Key Beliefs	Me, My Family, and Relationships	Customs and Festivals	Me, my Family and Friends	Industrial and Modern Medicine	The Living World	1.6 Ethical, legal, cultural and environmental impacts of digital technology 2.2 Programming Fundamentals

Year 11	HT3	Shakespeare: Romeo and Juliet	Fractions, mixed numbers and recurring decimals	Infection and response Bioenergetics*	Chemical changes*	Atomic structure*	Opt into an activity to include: Outdoor Adventurous Activities, Pickleball, Football and Fitness.		Religious Study: Islamic Authority	Customs and Festivals	Home, town neighbourhood and region	Social Issues	Historic Environment - Trenches	The Changing Economic World – India	1.6 Ethical, legal, cultural and environmental impacts of digital technology 1.2.3 Units 2.1 Algorithms
	HT4	Shakespeare: Romeo and Juliet	Simultaneous equations, percentage increase and decrease, reverse percentages, direct and inverse proportion	Bioenergetics Ecology* Revision	Chemical changes Energy changes* Revision	Forces* Revision			Thematic Study: Religion Peace and Conflict	Mock Preparation & speaking focus Home, town neighbourhood and region	Mock Preparation & speaking focus Holidays & travel	Global Issues	Anglo Saxon England	The Changing Economic World - UK	1.2.4 Data Storage 1.2.4 Numbers, Characters, Images, Sound 2.4 Boolean logic
	HT5	Mock Assessments and review: Language Paper 2 and Literature Paper 1	Trigonometry, Pythagoras, Statistical diagrams, Cumulative frequency, Inter quartile range, Box plots	MOCKS Ecology*	MOCKS The rate and extent of chemical change*	MOCKS Forces*			GCSE Revision and Preparation	My studies	My studies		Norman England	Physical Landscapes – Rivers/ Fieldwork/MOCKS	1.2.5 Compression 2.3.1 Defensive Design
	HT6	AQA Poetry Anthology: Power and Conflict	Volume and surface area, Similar shape	Ecology*	The rate and extent of chemical change* Organic chemistry*	Forces*	Opt into an activity to include: Athletics, Cricket, Rounders and Volleyball		Ethical Questions	Life at School and College	Life at School and College	Travel and Tourism		Physical Landscapes – Rivers/ Fieldwork/MOCKS	1.3.1 Networks 1.3.2 Wired and wireless networks, protocols and layers 2.3.1 Defensive Design 2.3.2 Testing
	HT1	Modern Drama: An Inspector Calls	Sequences, Graphs, Functions, Transformations	Homeostasis and response Ecology*	The rate and extent of chemical change Organic chemistry* Chemical analysis*	Forces Waves*	Opt into an activity to include: Handball, Rugby, Badminton, Basketball, Health Related Exercise and Table Tennis			My studies Life at School and College	My studies Life at School and College	Where I live	Rise of Nazis	Physical Landscapes – Coasts	System Architecture Memory and Storage Programming Techniques
	HT2	Mock Assessments and review: Language Paper 1 and Literature Paper 2	Probability and associated diagrams	Revision + Year 11 MOCKS Homeostasis and response*	Revision + Year 11 MOCKS The rate and extent of chemical change Chemical analysis* Chemistry of the atmosphere*	Revision + Year 11 MOCKS Waves*				Jobs, Career Choices and Ambitions	Education post-16	Describing my region	Life in Nazi Germany	Urban Issues and challenges - Lagos	Programming Techniques Algorithms
	HT3	AQA Poetry Anthology continued & approaching unseen Poetry	Constructions and Loci, 3D Pythagoras and Trigonometry	Homeostasis and response* Inheritance, variation and evolution*	Organic chemistry Chemical analysis Chemistry of the atmosphere* Using resources*	Waves* Magnetism and electromagnets*	Opt into an activity to include: Outdoor Adventurous Activities, Pickleball, Football and Fitness.			Celebrations, special occasions and festivals	Jobs, careers & ambitions	Travel and tourism	Cold War Causes	Urban Issues and challenges – UK / Urban fieldwork	Operating Systems Data Rep Programming Techniques
	HT4	GCSE Revision and Preparation	GCSE Revision and Preparation	Inheritance, variation and evolution* Revision + in class assessment	Revision + in class assessment Chemical analysis Chemistry and the atmosphere Using resources*	Magnetism and electromagnetism* Space* Revision + in class assessment				Global issues, neighbourhood & region	Global issues Social issues	Social issues and Global issues	End of the Cold War	The Challenge of Resource Management	Paper 1 and 2 Misconceptions
	HT5	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	Opt into an activity to include: Athletics, Cricket, Rounders and Volleyball			GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	GCSE Revision and Preparation	Geographical Application: Issue Evaluation GCSE Revision and Preparation	GCSE Revision and Preparation

Guided Choices Pathways		

Year 10		GCSE Art and Design	GCSE Photography	GCSE Business Studies	GCSE Design Technology	GCSE Drama	GCSE Food and Nutrition	GCSE Media Studies	GCSE Physical Education	NCFE Health and Fitness	GCSE Music	GCSE Psychology	GCSE Sociology	NCFE Child Development
	HT1	Skills workshops – experimenting with different mediums	Introduction to DSLR Camera Basics & Photo Editing Individual Coursework Project 1- Initial Research	GCSE Topic 1 – Business in the Real World	Block Head challenge (wood FPT) Unit 3: Wood theory Unit 2: Energy, materials, systems and devices	Mini Devising Project	<i>Food Safety Macro Nutrients</i>	Newspapers and Film	Components of Fitness Fitness Tests Principles of Training Methods of Training Goal Setting	Health and Fitness Components of fitness Fitness Testing Validity and Reliability	Component 1, 2 and 3: Musical elements: performing, composing and listening	Research Methods and Memory	Key concepts and processes of cultural transmission	Child Development
	HT2		Individual Coursework Project 1- Exploring the work of photographers	GCSE Topic 3 : Business Operations			<i>Commodities and Science</i>		Sports Participation Strategies/Trends Agencies and Initiatives Commercialisation	Training methods Optimising a training programme Principles of training Principles of overload		Research Methods and Memory	Key concepts and processes of cultural transmission Families	Factors that influence the child's development
	HT3		NEA: Above & below project – personal investigation Developing and refining ideas	Abstract Landscapes Coursework Project 2- Materials Experimentation			GCSE Topic 4 : Human Resources		Wood specialist Joints (FPT) Unit 3: Materials Unit 1: New Technologies recap Unit 5D: Polymers	'DNA' by Dennis Kelly		Micronutrients and Special Diets	Minimising Risk Risks and Hazards Warmups and cool downs 6 mark questions	Skeletal system
	HT4	Abstract Landscapes Coursework Project 2- Materials Experimentation		'DNA' Design	Diet Related Diseases Sensory properties	Skeleton and Joints Muscles Levers		Muscular system Respiratory system Cardiovascular system		Component 3: AOS1 Musical Forms and Devices	Research Methods Developmental Psychology	Sociological Enquiry and Research Methods	Early year provision	
	HT5	NEA: Above & below project – personal investigation Recording and presenting final ideas	Individual Coursework Project 1- Developing and refining ideas	GCSE Topic 2 : Influences on Business GCSE Topic 5 : Marketing	FPT – On shape and CAM Unit 4: Common specialist technical principles Begin NEA Project	Devising Drama	<i>Sensory properties SMSC issues in food</i>	Crime Drama	Planes and Axes Cardiovascular system	Energy systems Short term effects of exercise	Component 1: Ensemble performance	Research Methods And Developmental Psychology	Education	Legislation, policies and procedures
HT6	Individual Coursework Project 1- Developing and refining ideas		<i>Food Provenance Mock NEA</i>				Component 3: NEA	Respiratory System Energy System Effects of Exercise	Long-term effects of exercise Activity levels Diet Rest and recovery	Component 2: Free composition Component 3: AOS4 Popular Music	Perception Independent Research	Education Research Project	Expectations of the early year's practitioner	
Year 11	HT1	NEA: Above & below project – personal investigation Recording and presenting final ideas	Individual Coursework Project 1- Developing and refining ideas	GCSE Topic 5 : Marketing	NEA Coursework Unit 6 – Designing principles Unit 7: Making principles	Devising Drama	NEA1 plus Theory revision	Component 2: Crime Drama	Mental Preparation Guidance and Feedback Characteristics of a Skilled Performer Skill Classification	Health and fitness analysis tools Data Training programmes Health and safety	Component 1: Solo and ensemble performance Component 2: Composing music to a brief Component 3: AOS2 Music for Ensemble and AOS3 Film Music	Social Influence	Social Differentiation and Stratification	Roles and responsibilities within early years settings
	HT2		Individual Coursework Project 1- Personal & Meaningful Final Piece	GCSE Topic 6 : Finance		DNA Revision/ Performance from Text			Sportsmanship/Game smanship Deviance/Violence Drugs in Sport	Warm up and cool down Main activity Timescales and goal setting	Language, Thought and Communication	Social Differentiation and Stratification	The importance of observations in year years childcare	
	HT3	Externally Set Task and Exam Preparation	Externally Set Task and Exam Preparation	Revision of Units 1-3		Performance from Text	NEA2 plus Theory revision		Component 2: Music video	Health and Well-being Diet 6 mark questions	NEA practice	Improving component 1 and 2 for submission	Brain and Development	Crime and Deviance
	HT4		Externally Set Task and Exam Preparation	Revision of Units 4-5	Exam Technique and Theory	Performance from Text		Component 1 and 2	Exam Technique Exam Question Practice	NEA prep, research and task	Component 3: Musical elements and set works analysis	Psychological Problems	Crime and Deviance	Controlled assessment
	HT5	Externally Set Task Final Piece	Externally Set Task Final Piece	Exam Technique and Theory	Exam Technique and Theory	Exam Technique and Theory	Exam technique and Revision	Exam Preparation and Revision	Practical Moderation Final Exam Preparation	NEA prep, research and task Exam revision	Component 3: Exam preparation	Revision and Final exam preparation	Exam technique and revision	Revision and Final Exam Prep
Progression to SNA Sixth Form, Further Education, Recruitment or Training														

Year 12		English Language	English Literature	Maths	Biology	Chemistry	Physics	History	Geography	Psychology	Sociology	French	Spanish	Design Technology	Fine Art	Drama	Computer Science	Business Studies	Media Studies	A Level PE		
	Half Term 1	Meanings and Representations Language and Gender	Othello The Great Gatsby	Algebra Polynomials and the binomial theorem	Cell structure Biological molecules Exchange and transport	Atoms and moles Formulas and equations Electrons, bonding and structure Basic concepts and hydrocarbons	Progressive and stationary waves Particles Electromagnetic radiation	Early Tudors Civil Rights USA	Hazards Changing Places	Memory and Research methods Education Research methods	What is Sociology? introduction Education Research methods	The changing nature of families	Modern and traditional values	200 minute project – Designers Iconic Designs FPT: Fusion (Introduction and 3D printed Phone stand) <i>Theory Paper 1 – Technical Principles</i>	Skills workshops – focus on experimenting and refining skills in different mediums	Introduction to Set Text A Equus Theatre History and an Exploration of Greek Theatre: Lysistrata	Structure and function of the processor Types of processor Input, output and storage Thinking abstractly Thinking Ahead	Topic 1 – What is Business? Topic 2 Managers, Leaders and Decision Making	Component 1 Advertising and Marketing Music Videos	Paper 1 Physiological factors affecting performance Paper 2 Psychological factors affecting performance Paper 3 Socio-cultural issues in physical activity and sport		
	Half Term 2	Meanings and Representations Language and Occupation	Othello AQA Pre 1900 Poetry Anthology	Trigonometry Differentiation and Integration	Biological molecules Nucleotides and nucleic acids Transport in animals Transport in plants	Reactions and calculations Basic concepts and hydrocarbons Alcohols and haloalkanes	Refraction, diffraction and interference Electromagnetic radiation Energy and momentum	Early Tudors Civil Rights USA	Hazards Changing Places	Research Methods, Clinical Psychology and Memory Integrated Approaches	Education Research methods	Cybersociety	Cyberspace			Exploration of Set Text A Equus Lysistrata meets the Practitioners	Systems Software Applications Generation Software Development Thinking procedurally Thinking logically	Topic 3 Marketing Management Topic 5 Financial Management	Component 1 Newspapers and Film Promotion			
	Half Term 3	Child Language Development Language and Social Groups	Journey's End The First Casualty	Exponentials and Logarithms Vectors	Enzymes Biological membranes Transport in plants Disease and the immune system	The periodic table Analysis and organic synthesis	Electricity Energy and momentum	Early Tudors Civil Rights USA	Hazards Contemporary Urban Environment	Clinical Psychology Social Influence Integrated Approaches	Education Research methods	The role of the voluntary sector	The equality of the sexes	Lamp Project (Design style inspired Research, Design and Make and Test) <i>Theory Paper 1 – Technical Principles</i>	Component 1 Personal Investigation Portfolio	Practitioner Workshops Devising	Compression, Encryption and Hashing Networks Web Technologies Thinking concurrently	Topic 4 Operational Management Topic 6 HR Management	Component 1 Video Games and Radio Component 3 Skills			
	Half Term 4	Child Language Development Accent and Dialect	Journey's End W.O Poetry	Units and kinematics Forces and Newtons Law	Biological membranes Cell division and cellular organisation Disease and the immune system Classification and evolution	The periodic table Physical chemistry Analysis and organic synthesis	Electricity Periodic motion Energy and momentum	Early Tudors Civil Rights USA NEA	Coastal Systems and Landscapes Contemporary Urban Environment	Social Psychology & Attachment	Family & Households	Culture and heritage	The influence of idols			Devising Continued	Data Types Computing related legislation Programming techniques		Component 3 Coursework Revision of Component 1			
	Half Term 5	Language Change Language and Ethnicity	NEA Introduction & Reading The Great Gatsby	Collecting, Representing and Interrogating data Probability	Classification and evolution Biodiversity Revision	Physical chemistry Equilibrium Aromatic compounds and carbonyls	Periodic motion Materials Thermal physics	Early Tudors Civil Rights USA NEA	Coastal Systems and Landscapes Contemporary Urban Environment	Social Psychology and Research Methods	Family & Households	Francophone Music	Regional identity in Spain	NEA <i>Theory Paper 1 – Technical Principles</i>		Component 1 Personal Investigation Portfolio	Devising Portfolio	Moral and ethical Issues	Mock exam revision and preparation		Component 1 Revision	
	Half Term 6	Coursework Unit Language and Occupation	Othello AQA Pre1900 Poetry Anthology	Hypothesis Testing	Revision and MOCKS Ecosystems	Revision and MOCKS	Revision and MOCKS Thermal physics	Russia Civil Rights USA NEA	Geographical Investigation	Issues and Debates Biopsych	Theory and Methods Year2	The art of cinema	Cultural patrimony				Devising Portfolio	Databases	Mock exam revision and preparation		Component 3 Coursework	
	Half Term 1	Meanings and Representations Language and Gender	NEA Preparation Wilfred Owen Poetry	Algebra 2 Trigonometric Identities Sequences	Ecosystems Populations and sustainability Patterns of inheritance Evolution	Enthalpy, entropy and free energy Reactions rates Acids, bases and pH	Gravitational fields Electric fields Capacitance Nuclear physics	French Revolution Civil Rights USA Early Tudors NEA	Geographical Investigation Global Systems and Governance	Research Methods Issues and Debates	Theory and Methods Y2 Beliefs	Diversity in society and Social exclusion	Immigration/racism	NEA <i>Theory Paper 2– Designing and making principles</i>			Component 1 Personal Investigation Portfolio	Text A Consolidation Component 2 Monos/ Duos	Databases Computational methods	Topic 7 Strategic Position of a Business Topic 8: Choosing Strategic Direction	Component 2 Sections A & B Magazines and Television	Paper 1 Physiological factors affecting performance Paper2 Psychological factors affecting performance
	Half Term 2	Child Language Development Language and Occupation	Journey's End The First Casualty	Differentiation	Manipulating genes Cloning and biotechnology Communication and homeostasis Excretion	Nitrogen compounds and polymers Analysis Transition elements	Capacitance Magnetic fields Nuclear physics	French Revolution Civil Rights USA Early Tudors NEA	Coastal Systems and Landscapes Global Systems and Governance	Comparison of Approaches Biopsychology	Beliefs	Criminality	Coexistence					Text A Consolidation Component 2 Monos/ Duos	Types of Programming Language Boolean Algebra	Topic 9: Strategic Methods: How to Pursue Strategies Topic 10: Managing	Component 2 Section A and C	Paper 3 Socio-cultural issues in

Year 13	Half Term 1	Meanings and Representations Language and Gender	NEA Preparation Wilfred Owen Poetry	Algebra 2 Trigonometric Identities Sequences	Ecosystems Populations and sustainability Patterns of inheritance Evolution	Enthalpy, entropy and free energy Reactions rates Acids, bases and pH	Gravitational fields Electric fields Capacitance Nuclear physics	French Revolution Civil Rights USA Early Tudors NEA	Geographical Investigation Global Systems and Governance	Research Methods Issues and Debates	Theory and Methods Y2 Beliefs	Diversity in society and Social exclusion	Immigration/racism	NEA <i>Theory Paper 2– Designing and making principles</i>	Component 1 Personal Investigation Portfolio	Text A Consolidation Component 2 Monos/ Duos	Databases Computational methods	Topic 7 Strategic Position of a Business Topic 8: Choosing Strategic Direction	Component 2 Sections A & B Magazines and Television	Paper 1 Physiological factors affecting performance Paper2 Psychological factors affecting performance
	Half Term 2	Child Language Development Language and Occupation	Journey's End The First Casualty	Differentiation	Manipulating genes Cloning and biotechnology Communication and homeostasis Excretion	Nitrogen compounds and polymers Analysis Transition elements	Capacitance Magnetic fields Nuclear physics	French Revolution Civil Rights USA Early Tudors NEA	Coastal Systems and Landscapes Global Systems and Governance	Comparison of Approaches Biopsychology	Beliefs	Criminality	Coexistence			Text A Consolidation Component 2 Monos/ Duos	Types of Programming Language Boolean Algebra	Topic 9: Strategic Methods: How to Pursue Strategies Topic 10: Managing	Component 2 Section A and C	Paper 3 Socio-cultural issues in

	Half Term 3	Language Change Language and Social Groups	Journey's End The First Casualty/W. O. Poetry	Integration and Differential Equations Numerical Methods	Revision + MOCKS Excretion Animal responses Plant responses Photosynthesis	Revision + Mocks Organic synthesis and practical techniques Redox and electrode potentials	Nuclear physics Option module (engineering)	French Revolution Civil Rights USA Early Tudors NEA	Water and Carbon Cycles Global Systems and Governance	Schizophrenia Relationships	Crime & Deviance	Politics and Political systems	Youth of today, citizens of tomorrow	NEA <i>Theory Paper 2– Designing and making principles</i>	Component 2 Externally Set Assignment	Text in Performance	Algorithms Paper 1&2 Misconceptions	Strategic Change	Component 2 Section C Revision of Component 1	physical activity and sport
	Half Term 4	Language Change Accent and Dialects	Othello/NEA final Gatsby/AQA Anthology	Motion in two dimension Forces	Photosynthesis Respiration Exam preparation and revision	Redox and electrode potentials Exam preparation and revision	Nuclear physics Option module (engineering) Exam preparation and revision	French Revolution Civil Rights USA Early Tudors NEA	Water and Carbon Cycles Urban review / NEA support as needed	Forensic Psychology Relationships	Crime and Deviance	Immigration	Monarchies and dictatorship & popular movements	NEA <i>Deadline: Easter</i> <i>Theory Paper 2– Designing and making principles</i>		Text in Performance	Paper 1&2 Misconceptions	Exam Preparation and Revision	Component 2 Revision	
	Half Term 5	Exam Preparation and Revision	Exam Preparation and Revision	Probability Hypothesis Testing	Exam preparation and revision	Exam preparation and revision	Exam preparation and revision	Exam Preparation and Revision	Exam Preparation and Revision	Revision & Examination Period	Revision & Exam technique including methods in context	Exam focus (speaking exams, revision and skills)	Exam focus (speaking exams, revision and skills)	Exam techniques and revision of all units.			Paper 1&2 Misconceptions	Exam Preparation and Revision	Exam Preparation and Revision
