

Year 11 Maths GCSE Revision Resources

Subject Mathematics	Papers 3 papers Paper 1 – Non calculator Paper 2 – Calculator Paper 3 – Calculator	Duration 1hr 30 mins each
It is vital you have a scientific calculator and know how to use if for your exams. The Casio classwiz calculators are the best and you can get them from the school via parentpay, online or larger supermarkets.		
Websites to use		What is on there
1	https://www.sparxmaths.uk/	Use the independent learning section to work on the areas you struggled with on your mock. Ask you teacher for specific areas
2	https://corbettmaths.com/2023/02/15/gcse-maths-summer-2023/	Checklists, videos on specific topics, practice exam style questions on all topics and practice GCSE papers. Make sure you go on the AQA section if using the practice papers. There will also be predicted papers after Paper 1 so check back then too.
3	https://www.onmaths.com/	Unlimited predicted papers. Make sure you select the right tier (higher/ foundation) and AQA and then work through the questions. Have a pen and paper to hand for working out too.
4	https://www.mathsgenie.co.uk/AQApapers.html	All the past papers are here with mark schemes. When completing past papers: 1. Give your self 1 hour and 30 mins to complete it. 2. Anything you don't complete in that time do in a different colour 3. Mark your answers, make a list of any topics you struggled with 4. Plan to do focused revision on these topics before you complete another paper. 5. Aim to do at least one past paper a week
