Your exam will be a full past paper. This means that there will be content in the exams that we have not covered yet. Don't worry. Vocab lists will be provided with the exam for any vocab that we have not covered yet.

Don't forget, you can practise all listening tasks if you go to [www.cgpbooks.co.uk/GCSESFrenchAudio](http://www.cgpbooks.co.uk/GCSESFrenchAudio) and type in your personal code on the inside of your revision guide. The answers are in the back of the book. We will provide

guided exam skill practice in lesson in preparation for the real thing. The grammar section in the back is very useful, especially for your writing exam.
