

Year 12 Psychology Checklist

Subject Psychology	Paper 1 A version of (Final) Paper 1 & 2	Duration 120 mins An amalgamation of Paper 1 and 2 1. Social Psych 24 marks 2. Memory 24 marks 3. Attachment 24 marks 4. Research Methods 24 marks
What to revise		How to revise it Notes and Text book (pages below)
1	Types of Conformity <i>Compliance, Identification, Internalisation</i> Example of this in reality	3, text book SYL & AC, Mind maps, past paper questions, study period guide
2	Explanations for Conformity <i>Informative</i> SI Jenness (1932) <i>Normative</i> SI Ash (1955), Mori & Arai (2010) Evaluation of these studies and application in real life setting	4-8 text book SYL & AC, Mind maps, past paper questions, study period guide
3	Factors affecting Conformity Asch variations : <i>Size, Unanimity, task difficulty</i> Evidence and discussion about the importance of these factors	9-12 text book SYL & AC, Mind maps, past paper questions, study period guide
4	Conformity to Social roles Zimbardo (1973) Explanations of behaviour (the situational argument) Evaluation of the research (ethics and application)	13-14 text book SYL & AC, Mind maps, past paper questions, study period guide
5	Milgram (1963) Evidence for obedience process and factors that contribute to obedience. Evaluation of research <i>Variations</i> of Milgram study and their contribution to understanding obedience: Location. Milgram (1974) Proximity. Milgram (1974) Uniform. Bickman (1974) Personality Vs External factors affecting obedience Adorno (1950) Authoritarian Personality Situational VS dispositional Arguments	17-23, 27-28 text book SYL & AC, Mind maps, past paper questions, study period guide 29-31 30-31
6	Resistance to Social Pressure (Obedience and Conformity) ➤ Social Support ➤ Locus of Control ➤ Reactance ➤ Systematic Processing ➤ Morality ➤ Personality 1 x research for each one and discussion on the relative strength of this factor.	33-37 & 38-39 text book SYL & AC, Mind maps, past paper questions, study period guide

7	<p>Minority Influence & Social Change Consistent minorities; Moscovici (1969) Use civil rights/feminist movement to demonstrate Flexible minorities; Nemeth (1986) use negotiation scenarios to demonstrate Resistance to Persuasion by minority; Hewstone & Martin (2007) Use Euthanasia issue to demonstrate <i>Cryptoamnesia</i>; Use Greenpeace/Green Movement to demonstrate</p>	41-48 text book SYL & AC, Mind maps, past paper questions, study period guide
8	<p>The Multi Store Model of Memory Key Features; Coding, capacity, & duration of the Sensory Register; Crowder (1993), Sperling (1960) Treisman (1964) Coding, capacity, & duration of the Short Term memory; Posner & Keele (1967), Jacobs (1887) Peterson & Peterson (1959) Coding, capacity, & duration of the Long Term Memory; Baddeley (1966), Anokhin (1973), Bahrck (1975) Research that supports the model (as above) Arguments that criticise the model</p>	52-61 text book SYL & AC, Mind maps, past paper questions, study period guide
9	<p>The Working Memory Model of Memory Key Features and Functions Brief context of history and relevance Baddeley (1996), Baddeley (1986), Gathercole & Badderley (1993), Alkhalifa (2009) Evidence for the existence and functions of the respective parts of the model Arguments and evidence that undermine the model Brief comparisons between the models (MSM & WMM)</p>	62-67 text book SYL & AC, Mind maps, past paper questions, study period guide
10	<p>Long Term Memory Types of LTM Episodic (explicit), Semantic (explicit). Procedural (implicit) Evidence that these are separate stores with separate functions Tulving (1989), Maguire (2007), Vicari (2007), Finke et al (2012)</p>	69-75 text book SYL & AC, Mind maps, past paper questions, study period guide
11	<p>Explanations for forgetting Interference theory (retroactive and proactive) Schmidt (2000) Cue dependent Forgetting (context and state) Abernethy (1940) & Overton (1972) Repression Williams (1994) Key features, examples and applications of these theories</p>	76-83 text book SYL & AC, Mind maps, past paper questions, study period guide
12	<p>Eye Witness testimony Leading Questions; Loftus & Palmer (1974) Schema; Bartlett (1932) Weapon Focus; Loftus (1987) Advertising (applied to news); Loftus & Pickrell (2003) Anxiety/Yerkes Dodson U theory; Deffenbacher (1983) Anxiety/Repression; Freud (1894) Supporting evidence for each theory, apply to criminal situations</p>	85-91 text book SYL & AC, Mind maps, past paper questions, study period guide
13	<p>Improving Eye Witness Testimonies Cognitive Interview; key features and supporting evidence, Tulvin's specificity theory (1973) Enhanced Cognitive Interview; key features and supporting evidence, Fisher & Geiselman (1987)</p>	92-98 text book SYL & AC, Mind maps, past paper questions, study period guide

	One argument against (either a discussion point or alternative research) Hazen & Shaver (1987) Love Quiz Continuity Hypothesis	
	Generating a Hypothesis One tailed, Two tailed Operational/Alternate, Null	271 text book SYL & AC, Mind maps, past paper questions, study period guide
	Experimentation Types of experiment Designs of experiment Strengths & weaknesses Overcoming problems of experiments	258-262 text book SYL & AC, Mind maps, past paper questions, study period guide 276
	Observation Types of observation Participation, Covert/Overt Strengths & weaknesses of all designs Coding schemes/Behaviour checklists Time Sampling/Event Sampling Inter-observer reliability	262-264 text book SYL & AC, Mind maps, past paper questions, study period guide
	Correlation Gathering data Positive/Negative Correlation co-efficient Correlation and causation Extraneous variables Strengths & weaknesses of correlation The correlational hypothesis	268-270 text book SYL & AC, Mind maps, past paper questions, study period guide
	Self-Report Questionnaire, Open/Closed questions, scaled Qs Strengths and weaknesses Interviews and sub types, Strengths and weaknesses Designs of interview for the topic and respondent Comparison of interviews and questionnaires	265-268 text book SYL & AC, Mind maps, past paper questions, study period guide
	Examples from course Strengths and weaknesses	270 text book SYL & AC, Mind maps, past paper questions, study period guide
	Sampling techniques Random Stratified Self-selecting/Volunteer Opportunity Strengths & weaknesses Bias in sampling	272-274 text book SYL & AC, Mind maps, past paper questions, study period guide
	Analysing Quantitative Data Primary & Secondary data Qualitative measurements (Content & Thematic) Measures of central tendency Mean, Mode, Median, Range, Standard deviation Strengths and weaknesses of MCT	292-299 text book SYL & AC, Mind maps, past paper questions, study period guide

	Ethics in Research Consent, deception, protection, withdrawal, confidentiality, anonymity, observation, advice	278 text book SYL & AC, Mind maps, past paper questions, study period guide
