

## Christmas Charity Appeal

Like last year, we will be collecting charitable Christmas gift donations to distribute at what can be a time of considerable hardship and challenge for many. All four Houses are working together to collect for the following charities:

- **Framework**
- **Clifton Foodbank**
- **Nottingham Central Women's Aid**

We would be most appreciative of any donations and ask that students bring them to the Head of House Office, where we will store contributions until they are distributed in the final week of term. **The deadline for bringing in donations is Friday 15<sup>th</sup> December.**

This year, charities would be very grateful if you could provide items from the following lists:
