

SNA Weekly Bulletin

Week commencing 27th January

Whole School Notices

SNA WAY: Assemblies this week have focused on embedding our SNA way values, and reflecting upon how well our students are demonstrating these values each and every day at SNA. Since we relaunched the updated SNA way in September, we have awarded 23,578 SNA way achievement points. An incredible effort by our students! Congratulations to Keele house who currently lead the way with over 6000 SNA way points achieved. SNA way achievement points, SNA way commendations and SNA stars continue to recognise our wonderful students at SNA.

Thank you: SNA would like to thank an anonymous Year 9 student who helped a local resident in the village this past week. The local lady was so impressed, and has called the school to inform us of this student's proactiveness in retrieving and returning her bag which was lost in the village. If this was you, and you feel comfortable, please identify yourself to Mr Siviter over the next week. Thank you.

Student Council: On the 21st of January, we held our second Student Council meeting of the academic year, bringing together all student leadership roles. The meeting focused on several important topics, including house charities, catering within the academy, activities to raise money for Red Nose Day, and discussions from our Eco Committee on ways to make the school eco-friendlier. The Student Council will now collaborate with others across the school to bring these action points to life and make a meaningful impact within the SNA community.

School Nurse Drop-In Sessions: Beginning on the 30th of January, a school nurse will be in the First Aid room (by reception) on Thursday lunchtime (12.20pm – 1.00pm). This will continue to take place on the *last Thursday of every month*. This is a free, confidential service for all aspects of health and wellbeing.

Students with Dietary Requirements: For those students who are vegetarian, we serve a vegetarian equivalent of the main meal each day, as well as other options including pasta with vegetarian sauces, jacket potatoes and sandwiches. If your child has a gluten free diet and you would like to discuss what provisions and gluten free alternatives can be made available for them, such as pasta, sandwiches or a main meal, you can do this by calling the school and choosing option 3 or emailing Mrs Dixon our Catering Manager directly on j.dixon@snacademy.org.uk.

School Experience Days: Have you ever considered a career in teaching? Why not book onto a school experience day? Our school experience days offer you the perfect opportunity to immerse yourself in the vibrant environment of our schools. See the attached flyer for all the details and how to book!

School Bulletin: Each Bulletin will be released on Friday for the following week (stated at the top of the letter) These announcements will be kept live on Class Charts for a week, however all previous bulletins will be available to view here:
