

Week commencing 9th March

Whole School Notices

Careers Fair 2026: Next Thursday 12th March, we are excited to be hosting our annual Careers Fair, with over 70 providers attending to give students the opportunity to explore a wide range of future pathways. This is a fantastic chance for students to engage with employers, colleges, universities and training organisations, ask questions and start thinking seriously about their next steps. Events like this are not only valuable for planning future careers, but also for building character, developing confidence, communication skills and the courage to step outside of comfort zones. We encourage all students to make the most of this opportunity and approach it with curiosity and ambition.

National Junior Indoor Rowing Championships (NJIRC) North 2026 - SNA Claim Medals!

Last Friday, students from South Nottinghamshire Academy joined nine academies from across our Trust to compete at *NJIRC North 2026*, held at the John Charles Centre for Sport in Leeds. With almost 800 athletes from rowing clubs, schools, Active Row programmes and other Trusts across the Midlands and the North, it was one of the largest indoor rowing events of the year.

On arrival, SNA students described it as exciting but a bit intimidating, but once racing began, they settled quickly, showed great maturity, and represented SNA with pride and professionalism. While it isn't possible to name every student individually, their collective effort was exceptional. They managed a loud, fast-paced event brilliantly - supporting teammates and staying focused throughout. We are incredibly proud of every SNA student who attended or has trained as part of the rowing club this year. Their commitment has helped build a genuine culture of confidence, resilience and belonging. A huge thank you also goes to our Sixth Form volunteer, Hector, whose ongoing help and commitment has been invaluable in developing our students and encouraging participation.

SNA Highlights:

Medals:

Year 8 Boys – Bronze: Tyler

Year 9 Boys – Silver: Griff

Top-20 Finishes:

Year 11 Boys: Tyreece – 15th

Year 7 Girls: Amelia – 4th, Evelyn – 14th

Year 8 Girls: Jessica – 11th, Frankie – 12th

Relays:

Junior Boys Relay: 4th place

Junior Girls Relay: 4th place

Congratulations to all students involved - you represented SNA brilliantly.

Careers Notices

Year 12 and Year 13: Free Ticket to see Tinie Tempah <https://nottinghamrockcorps.com/>

An exciting offer from RockCorps for a free ticket to see Tinie Tempah in return for 4 hours of voluntary work. An opportunity to build your portfolio and do something great. The link is now live for young people to volunteer and earn themselves a ticket to see Tinie Tempah at Rock City. Register interest on the attached link, which you may find works better on a mobile device!

SNA *Weekly Bulletin*

Year 12: [The Engineering Development Trust](#) we are still accepting applications for our hugely popular Residential Insight into University Courses. We have a number of **fully funded Bursary places** available for students that attend your school. Full details on the exciting courses available and a direct link to the application form can be found on the link below-

<https://www.etrust.org.uk/residential-insight-into-university>

*Our bursary criteria can be found [here](#).

These unique courses are for students in Year 12 taking place at various Top Universities that run over 4 or 5 days where students get a taster of university life and an insight into a specific STEM subject. Students will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Students will stay in halls of residence and will take part in social activities in the evenings.

Accreditation: Silver Industrial Cadets Award *Inspired by its Patron, His Majesty, King Charles III, Industrial Cadets is a widely recognised, accredited awards scheme increasing diversity and inspiring young people through industry-based experiences to become part of the workforce of the future.*

Please see the attached flyer for more information: [Residential Insight into University Flyer](#)
