Radfest Entrepreneurial Opportunity – The Radfest team are currently looking for young people under the age of 18 who would be interested in running their own stall at the festival to sell items. This is a great opportunity for students to gain hands-on experience in entrepreneurship, develop business skills, and showcase their creativity in a supportive community environment. If you are interested in taking part, please contact **Laura Sowter** (laura.sowter@hotmail.com) or Mr P Melfi.

Well done to our Year 10 students for reaching the halfway point of your mock exams - your hard work and resilience are really showing. Our thoughts too were with our Year 11 MFL students this week completing your speaking exams. Keep it up — we're very proud of you all!
